## LUNCH ROOM

### OUR HOT LUNCH PROGRAM AT G. H. S.

In the late '30's the hot lunch program was established at Green Bank High. The program has grown from year to year with assistance from the patrons of the school and aid from the government.

In 1947 the Board of Education enlarged the dining room and kitchen. There is ample space to feed two hundred and fifty students at one time. Twenty-four girls are the four cooks at different intervals during the serving of lunch.

During the past nine years six thousand dollars worth of equipment has been added to the lunch room and kitchen. This consists of large refrigerators for the preservation of foods, mixers, slicers, and other cooking utensils, besides silverware, division plates, salad plates, and juice glasses.

Menus for the meals are well planned and are based on the government surplus menus that are sent out each month.

Mrs. Rachel Wooddell is now supervisor of the hot lunch program.

The kitchen is in charge of Mrs. Verna Tracy.

# ADVERTISEMENTS

A dark, abstract photograph with geometric shapes and light rays, serving as a background for the page. The image features sharp, angular lines and bright, glowing points of light that create a sense of depth and movement. The overall tone is moody and artistic.

THIS HEAH BOOK IS...

# THE MOUNTAIN BREEZE

PUBLISHED BY THE JOURNALISM CLASS OF  
GREEN BANK HIGH SCHOOL  
Green Bank, West Virginia

# FOUR-WURD

The seniors think this year mountain breezes is the story of the happiest year we spent in green Bay. As you all slowly turn thru this book many cherished memories of basket ball games, club activities, parties, the senior play, junior, senior prom and many other activities will be recalled. I remember these year things and specially let remember are teachers who have so patiently stood by us every day of each year. We'll always appreciate these efforts a whole lot.

Senior Staff presents this year book to you All in hopes it will fetch lots o joy to you all

# FOUR-WURD

Us seniors thinks this hyar mountin breezes is the story of the hapiest yars we spent in green. As you all slowly turn thru this book meny churished memerize of basket bawl games, klub ackti partys! the seenior play, junior, seenior prom and meny uther acktivitize will bee rekalle remEmber these hyar things and spechully les remember are teechers who has so pashuntly stood ever day of each yar. We'll allus appreshiate these efforts a whole lot.

The jurnalizm Staff preSents this hyar boke to you All in hoops it will fetch lots o joy to you yars whats yit to cum.

MISS MINNIE PARG

MRS. VIRGINIA POSCOVER

We dedicate this 1955 Mountain Breeze to those who have been the influence in our lives these past four years---our teachers, Miss Parg, Mrs. Poscover, and Mr. Blackhurst. With their help we have risen from doubtful, uncertain primary students, to confident, intelligent seniors, with the ambition to strive for a place in this busy world. They have outlined for us a successful past and a promising future. So, to Miss Parg, Mrs. Poscover, and Mr. Blackhurst, who have so generously shared their knowledge, wisdom, and hours of hard work with us, we humbly dedicate this annual.

MR. BLACKHURST

# EDUCATION IN GREEN BANK DISTRICT

The first school in the vicinity of Green Bank was erected in 1780. It was a typical pay school of that period. The fee was paid by boarding the teacher a certain length of time, according to the number of scholars in the school.

As Green Bank became a larger place than a one-house-town, a school was erected below the town and then known as the Crossroads, and named after the location. The school lasted until the year 1820, and a school was built on what is now the property of John R. Gum which was then known as Cartmill Creek. This school served the purpose of educating the pioneer children for a decade or more.

As churches were built with better regard to the density of the people, the session rooms became the schools, the session room of Liberty Church being one of the most important in Green Bank Community. The pastor was the teacher, and if the pastor did not teach, outside teachers would be called.

The first free school was built in 1820 and now stands in Green Bank. This was the first free school and was first taught by Professor Beard. It had influenced the founding of it. The usual number attending was from sixty-five to seventy. It was part of the Academy program of the County which called for the erection of three academies at Huntersville, and Hillsboro. These three buildings were of brick and were the most modern buildings in the county. Most of the people in Green Bank District sent their children to this school. These scholars came at Green Bank for there was no methods of conveyance from the more distant homes.

When a student had finished this school he could attend Institute for a week, and then pass a test given by the County Superintendent and become qualified for a teaching position. Green Bank District had its own Board of Education at that time, so the teachers went before them to qualify for a job. But they had as many as two trustees of the three to sign their contract before the job was forthcoming; the salary being about sixty dollars per month.

A few months after the Civil War, the building was remodeled and changed to a two-storied one and named the "Advanced School". It had a high standard of education.

The old Academy served until 1916; the last session being taught by C. E. Flynn, who later became Superintendent. Its place was taken by the High School.

In the year 1916, John W. Goodsell, President of the Board of Education, with the aid of Dr. Leland M. Hought, founded the Green Bank High School with the graded school being in the same building. The first levy was called for enough money to build the part known a few years ago as the high school part, which extended from front of the building to the present end of the press room. At first high school and grades were taught in the part, but as enrollment increased the building was extended to the beginning of the gymnasium, and a few years later the gym and the rooms above it were erected. This last was completed in 1926.

Quite a dispute was aroused over the location of the building, so it was submitted to a popular vote. The main candidates for the election were Cass, Dunmore, Durbin, and Green Bank, with the latter coming out with a fair majority.

The first term of school opened in the fall of 1918 with a small enrollment. The first principal was Hought of Bristol, W. Va., with Miss Lucy Meredith, Margaret Hunt, and Lillian Moomau as assistants.

The first graduate of the school in 1919 was Grace Currym who had attended Marlinton for three years. In the year 1920, there were five graduates: Virginia Dare Moomau, Helen Beard, Bertie Beard, Lillian Beard, and Lucille Oliver. In 1921 there were ten graduates, fifteen in 1922, fourteen in 1923, nineteen in 1924, and

N. Phay Taylor, the second principal, was succeeded by T. F. Harwood, who served nine years as principal. Mr. Harwood was replaced in 1931 by John Roach who served four years. In 1936, Claude A. McMillion became principal and served until his death in the spring of 1945 when Mr. Mack Brooks, Assistant County Superintendent, served until the end of the term. In the fall of 1945, Mr. Virgil B. Harris of Gamaway, W. Va., became principal and has served ever since.

**Brief Highlights:** Basketball started early in the school's history; football not until 1926 - first touch down made by Olen Hiner in a game with White Sulphur. Home Economics was installed about five years after the founding of the school. The FFA Club was organized in 1930 and is one of the oldest in the district.

# EDUCATION IN GREEN BANK DISTRICT

The first school in the vicinity of Green Bank was erected in 1780. It was a typical pay school, the fee was paid by boarding the teacher a certain length of time, according to the number of scholars.

As Green Bank became a larger place than a one-house-town, a school was erected here. It was then known as the Crossroads, and named after the location. The school lasted until the late 1830s when a school was built on what is now the property of John R. Gum which was then known as Crossroads School. This school served the purpose of educating the pioneer children for a decade or more.

As churches were built with better regard to the density of the people, the session room of the church became the school house, the session room of Liberty Church being one of the most important in Green Bank. In these church room schools were usually taught by the pastor, and if the pastor did not teach, outside teachers were hired on a term of three months for a dollar a scholar if there were as many as ten scholars.

The session room schools lasted until 1842, when the Green Bank Academy was erected on the site of the old Lodge Hall now stands in Green Bank. This was the first free school and was first taught by Dr. Arbogast who had influenced the founding of it. The usual number attending was from sixty to eighty. This school was part of the Academy program of the County which called for the erection of schools in Green Bank, Huntersville, and Hillsboro. These three buildings were of brick and were the finest in the county. Most of the people in Green Bank District sent their children to this school, although many at Green Bank for there was no method of conveyance from the more distant homes.

When a student had finished this school he could attend Institute for a week, and then be prepared by the County Superintendent and become qualified for a teaching position. Green Bank had its own Board of Education at that time, so the teachers went before them to qualify for a job. As many as two trustees of the three to sign their contract before the job was forthcoming; the salary was \$100 dollars per month.

A few months after the Civil War, the building was remodeled and changed to a two-story building, the "Advanced School". It had a high standard of education.

A few months after the Civil War, the building was remodeled and changed to a two-storied one and remained the "Advanced School". It had a high standard of education.

The old Academy served until 1916; the last session being taught by C. E. Flynn, who later became County Superintendent. Its place was taken by the High School.

In the year 1916, John W. Goodsell, President of the Board of Education, with the aid of Dr. Leland Moomau, founded the Green Bank High School with the graded school being in the same building. The first levy of money called for enough money to build the part known a few years ago as the high school part, which extended from the front of the building to the present end of the press room. At first high school and grades were taught in the same part, but as enrollment increased the building was extended to the beginning of the gymnasium, and a few years later the gym and the rooms above it were erected. This last was completed in 1926.

Quite a dispute was aroused over the location of the building, so it was submitted to a popular vote. The main candidates for the election were Cass, Dunmore, Durbin, and Green Bank, with the latter coming in ahead with a fair majority.

The first term of school opened in the fall of 1918 with a small enrollment. The first principal was W. H. Haught of Bristol, W. Va., with Miss Lucy Meredith, Margaret Hunt, and Lillian Moomau as assistants.

The first graduate of the school in 1919 was Grace Currym who had attended Marlinton for three years. In the year 1920, there were five graduates: Virginia Dare Moomau, Helen Beard, Bertie Beard, Lillian Beard, Lucille Oliver. In 1921 there were ten graduates, fifteen in 1922, fourteen in 1923, nineteen in 1924, and so on.

N. Phay Taylor, the second principal, was succeeded by T. P. Harwood, who served nine years as principal. Mr. Harwood was replaced in 1931 by John Roach who served four years. In 1936, Claude A. McMillion became principal and served until his death in the spring of 1945 when Mr. Mack Brooks, Assistant County Superintendent, served until the end of the term. In the fall of 1945, Mr. Virgil B. Harris of Gassaway, W. Va., became principal and has served ever since.

**Brief Highlights:** Basketball started early in the school's history; football not until 1926 - first touchdown at the school was made by Olen Hiner in a game with White Sulphur. Home Economics was installed about 10 years after the founding of the school. The FHA Club was organized in 1930 and is one of the oldest in the state. In 1930, a separate Vo-Ag building was constructed; the following year, a hugh garage. Hot Lunch Program started. Green Bank was made and steam was installed. In 1944 the GHS Band was organized under the direction of A. Margaret Johnson. In 1946 a new floor was laid in the gym and a new heating system installed. Pocahontas County added a County Music Supervision in 1948, Miss Dorothy McNeel served as supervisor.
